April 2017

Dear Parent/Guardian(s):

As the end of the school year quickly approaches, teachers are providing additional support to prepare students for the NYS Regents exams. We strongly recommend your child attend Regents Review sessions after school. Sessions will run from 2:30 – 4:00, and bussing will be provided at 4:00. In addition to Regents Review – students should also attend their teacher’s regularly scheduled extra help.

We will be providing Regents Review sessions from April 24 - June 9. Please see the attached schedule for room assignments and days of the week for Regents Review. The regular extra help schedule is also attached. Please indicate which of these sessions your child will be attending and have your child return the commitment slip to his/her guidance counselor. These sessions will be led by content specialists who will provide targeted instruction, preparing them for the Regents exams.

We are confident the flexible scheduling options will allow for your child to attend these sessions. Passing the Regents is required for High School graduation.

If you have any questions, please call.

Sincerely,

Ed Plaia, Principal
