SPORTS:

If you are interested in any information regarding school sports (schedules, times, directions, scores), there is a link on our home page. Go to the home page and click on "Athletics." Once there, there will be three choices. These choices will give you schedules, times, scores, directions and a lot of other information. Another useful link is www.sectionxi.org. This link will provide information for all Suffolk County schools.

Also, please speak to your children about their safety walking to and from school. The roads may be slippery due to snow and ice, and they should always cross with a crossing guard. If there is no crossing guard available, they should only cross main roads at a light or stop sign.

Regards,

Ed Plaia, Principal
