May 2018

Dear Parents/Guardians,

It is hard to believe that 6th grade, and elementary school is almost over for your child. As an introduction to Middle School, all 6th graders will be visiting us on May 24th and May 25th. During this visit, they will be introduced to several teachers, students, support staff, and the administrative team. They will also get a brief tour of the building, and will have the opportunity to have their questions answered.

It is with great anticipation that we welcome you and your child to our school parent/student orientation. This 7th grade orientation will be held on Thursday, **August 23rd at 11:00 AM**. We are inviting the parents/guardians of the incoming 7th grade students to join us as we welcome them to the Edmund W. Miles Middle School.

We are excited to connect with you and your child, so that we can support the needs and goals of all of our learners. The purpose of the orientation is to educate you about the typical day of a 7th grader. We will also go over our expectations, and discuss the necessary tools for student success.

We are looking forward to meeting you.

Sincerely,

Ed Plaia
Principal
