 - o EndZone Sports will continue to offer helmet and equipment packages
- **Football Travel Evaluations (ages 7-13):** Will be incorporated into our free off-season clinics throughout the month of July, ending the first week of August.
- **New for 2019:** No mandatory "Raffle" fundraiser for Cheer & Football programs

Our in-house full equipment Flag (ages 5/6) and Town programs (Tackle for age 7-13) are the heart of the Mustangs organization, and are big differentiators between our town and others. Most towns do not have a Town program at all. We typically have more kids in Town than we do in Travel.

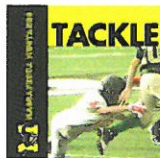

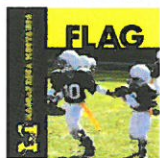

It is our goal every year to have **as many kids participate in the Fall football season as possible**. We would love to have **Town teams at all levels (Ages 5-13)**, in addition to our **Travel** teams from ages 7+.

This is only possible if we have enough players registered. Once we see our numbers, we can make the best decisions on how to group the ages for Town.

Please help us by registering as early as you can. Don't wait!

If you are not certain if your child wants to play in the Fall, we would invite you to register, and participate some of our free workouts and summer evaluations.

If we are unable to offer a suitable option at your child's age group, we will issue a refund.

Practices begin August 1st for Travel teams, Late August for Town teams, and Early Sept for Flag teams.
Games begin the week after Labor Day for Travel teams, Mid Sept for Town and Flag teams.

The Amityville School District does not endorse this program. Distribution of this flier is for information purposes only.
