Sick Seading Sartner March 3 - March 14

Dear Families,

We're thrilled to introduce PARP 2025!

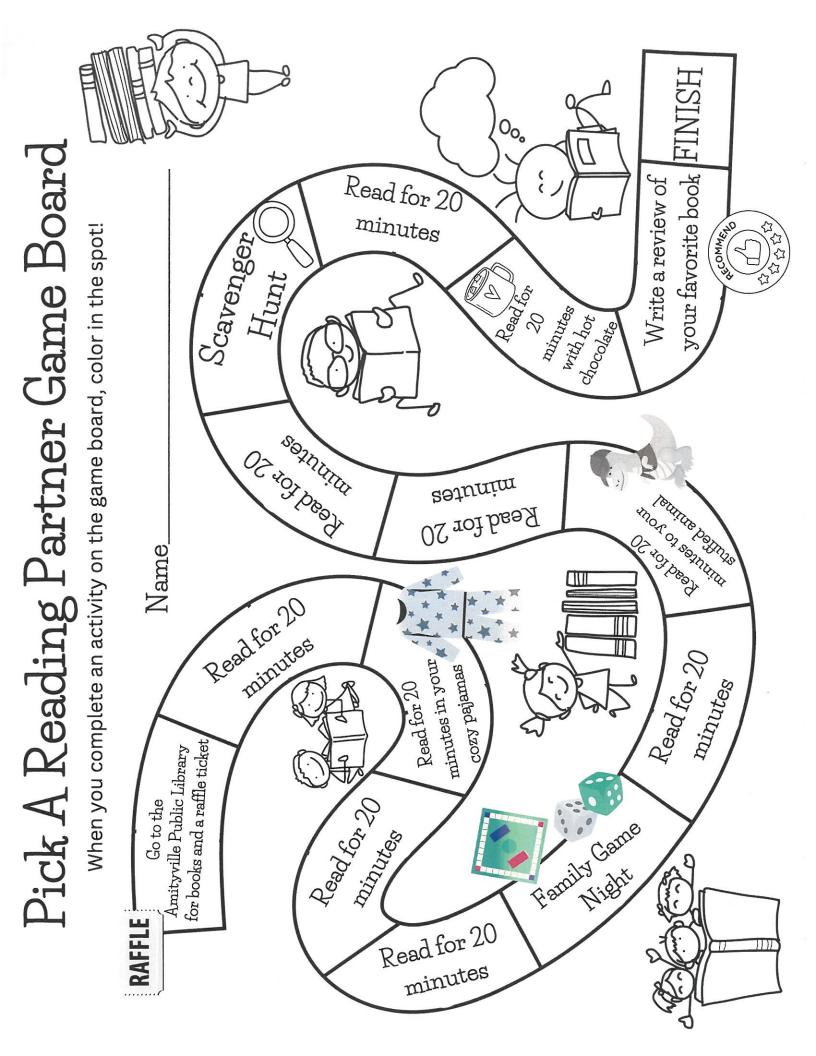

PARP will be from Monday, March 3rd to Friday, March 14th. This year, we're partnering with the Amityville Public Library to encourage our students to explore the wonderful world of books. Please stop in and check out the children's section and sign up for a library card if you don't already have one!

We ask each student to dedicate just 20 minutes every night to reading. It's a small commitment with big rewards for their literacy skills and imagination.

To make reading even more enjoyable, we've prepared a packet of fun activities for them to complete alongside their reading adventures. Students that complete all of the activities will be entered into our raffle to win prizes! You double your chances of winning if you go to the Amityville Public Library, they will give you an extra raffle ticket when you check out books!

Thank you for joining us in fostering a love for reading in our children. Let's make this PARP season one to remember!

Sincerely, Lori Heavey Library Media Specialist
