C. Community Input Regarding Board Agenda Items Only

Mrs. Sydney Friefelder gave the third budget presentation. Capital component/facilities were discussed. Capital budget is divided into two sections. All codes that begin with A 1620 provide for the operation and maintenance of all five building and the administration building. (*See attachment #1*). The code for furniture must be increased over time in order to replace/add furniture for staff and students. Some items i.e., boots and gloves are provided in the budget for the custodial staff. More coverage is needed for cleaning all buildings including the administration building. We need to add two additional people. The Facilities Administrator needs clerical support.

Trustee Santos thanked Mrs. Friefelder for addressing the Board's concerns. President Johnson commented that this is just one phase and many things must be accomplished in the District. Mrs. Friefelder noted that the Board must identify projects that must be accomplished in one year. TANS money is received well after the school year begins so we must borrow money to cover our expenses. Mrs. Carol Seehof commented favorably on Mrs. Friefelder's presentation.
