COMMUNITY INPUT ON AGENDA ITEMS

Toni Bean

- Asked if the Board received the back up documentation with regards to the line by line budget
- Expressed the need for a Human Resources Director, it is a critical issue.
- Reorganization with respect to eliminating the HR position who authorized it and did the board vote on it. Mr. Fulton answered that Dr. Kelly makes those decisions and brings recommendations to the board and votes on the recommendations. The board did not vote to eliminate the HR position, it was a consensus.
- Has any board member requested the back up documentation? Mr. Fulton responded that the board does receive information as requested. And will receive the line by line in time to approve the budget.

Andrea DeLoney

- Personnel line items just presented, I know before efficient - there is an anticipated increase for Asst Supt \$70 and for the Supt \$75 combining those increases would supply the salary for the HR. Ms. DeLoney was misreading the chart. Looking at the 16-17 budget of \$190,000 which is the current salary of the superintendent and it will go to \$215,000 per the Board which is only an increase of \$25,000. She was reading the Actual Thru amount of \$140,577 which is what the Superintendent has received year to date. Ms. DeLoney's point is the increases for the Superintendent and Assistant Superintendents can fill the crucial role of the HR Director.

Madeline Quintyne

- Outstanding presentations tonight.
- Regarding the Social Workers, she supports full time Social Workers due to the need of this community.

Arnold Jackson

- The board has a responsibility that there is an hr person and feels the segregation of duties is important.

Carolyn Chikazunga

- Supports funding for human resources position and where is the funding for Adult Education.
- The issue of social workers is important and it's a burden off the teachers and help the families.

Pastor Hayward

- Asked when and why the HR position dissolved, how long ago. Pastor Hayward feels the District would be much better managed and overseen by the people who directly supervise the staff .
